WRTS will admit or permit the use of facilities or privileges to any student without discrimination in any way on the basis of sex, race or ethnic background.

Since the Scriptural, doctrinal and ethical standards of this school would be compromised by admission of students whose sexual orientation is directed toward members of their own gender, the School discourages application for admission to anyone embracing homosexual orientation. Application for admission from someone with such orientation may be considered following an interview with the Core-Faculty, repentance before God and forsaking such life style.
